

# Master Server Leasing Agreement (Template - Summary)

Template / Summary for website use. Generated: 2026-02-02

This PDF is a high-level template summary for drafting. The final agreement should be vetted and executed with proper stamp duty and signatures as applicable.

Parties: Maruti Defence (Proprietor) as Lessee/Operator and the User as Lessor/Asset owner (as applicable).

Subject: Lease of specified server infrastructure / equipment, identified by plan/unit reference, for a defined tenure.

Commercials: Rental charges, if any, payable as per schedule subject to utilization/contract terms. No guarantee of rental.

Security deposit/asset cost: refundable at contract end as per conditions, timelines and deductions (if any) stated in contract.

Compliance: KYC, bank transfer mode, TDS/GST as per applicable law, dispute resolution and jurisdiction.
