

Craton Risk Disclosure

Template / Summary for website use. Generated: 2026-02-02

Craton (brand of Maruti Defence, Proprietor) operates an equipment/server infrastructure leasing business. This is not a deposit, chit fund, collective investment scheme or guaranteed return product.

Any rental payout illustrations are subject to lease terms and commercial utilization. There is no guarantee of returns, utilization, uptime, or profitability.

Key risks include utilization risk, operational risk, market/technology risk, counterparty risk, liquidity risk, legal/regulatory risk, and tax risk. Participants should rely only on signed agreements and official disclosures.

Participants must understand exit/refund timelines are contract-based and not instant. Taxes (TDS/GST) apply as per law and may change.
